

## **Salty Dogs Senior Animal Rescue (SDSAR) HOW DOES HOSPICE ADOPTION WORK?**

Salty Dogs Senior Animal Rescue Hospice Program is for dogs that arrive with untreatable terminal illnesses. SDSAR waives the \$200 adoption fee and offers support and guidance to the hospice families as they provide a loving home for the remainder of the dog's life.

To get started, fill out our Adoption Application and check the box notifying us you are interested in a hospice adoption. We'll schedule a brief interview with you and when the right match comes along, we'll let you know!
